

Cling to the Cross

Music & Lyrics by David Leonard & Lauren Luckey

Verse 1

Looking to the cross
The rugged tree
I fix my eyes
On Calvary
Where Your mercy flowed
Your love displayed
Your life for mine
My debt was paid

Verse 2

'Twas this wondrous cross
That sorrowed place
Where sinful man
Was met by grace
Now my only boast
What Christ has done
The battle fought
The vict'ry won

Prechorus 1

All I have, all I need, You are ev'rything

Chorus

I will cling to the cross
I will cling to the cross
Where You died for me
Where You died for me
Ev'ry sin, ev'ry shame
In Your blood, washed away
You're alive in me, You're alive in me

Verse 3

Holding to the cross
My hope remains
In mercy washed
In love sustained
Till my final breath
I'll e'er proclaim
And preach His blood
My richest gain

Prechorus 2

This my song, this my plea
For eternity

Bridge

Shining in brilliant light
Our Savior glorified
Lord we will wait for You
Yes, we will wait for You
Trembling, the darkness flees
Before the King of Kings
All Heaven worshipping
You've overcome
