What are Life Groups?

Life Groups are communities of people who are in the same stage of life, and share similar joys, needs, and backgrounds. Through Life Groups we are:

- **Encouraging** Meaningful Relationships Through Fellowship
- **Equipping** Believers to Grow Through Discipleship
- **Empowering** Believers to Serve
- **Engaging** Our Community and World Through Evangelism and Missions

To connect with a Life Group, visit our Welcome Center on Sunday or check out the green signs around the building with a list of Groups and the times they meet.

Have questions about God, Jesus, or the Bible?

Almost every worship service ends with an invitation for those who have made or would like to make a spiritual decision, such as trusting Christ, committing to church membership, or for those simply desiring prayer.

In an effort to have each believer fully understand and be supported in their decision, those who walk to the front of the Worship Center will be accompanied to the nearby Fireside Room to talk through decisions or spiritual needs.
