

ONE YEAR FOCUS

Neighboring

Focus Statement

This year, we will simplify our lives, creating margin to saturate our community with gospel conversations.

Neighboring Audit and Action Plan

As you think about where you currently live life, begin to think about people that you come in contact with regularly. For reference, think about where you live, work/school, and play.

- 1. Begin by listing first names of neighbors in each of the 3 categories.
- 2. As you write down names, consider people that you know their name, but you do not know anything about them.

- 3. Answer these questions privately – of the names on the list how many people do I know that are not in a relationship with Jesus? How much time do I spend with people that are not in a relationship with Jesus?
- 4. As you look at the names on your piece of paper, circle names of people that you are uncertain about their relationship with Jesus.
- 5. Begin to pray for these people by name this week.
